Northern NJ's Business Leaders Network

About Us

Biz@Net is a group of business professionals focused on developing business relationships through networking. Our members consist of men and women in the field of accounting, law, banking, security, marketing, insurance, appraisals, advertising and more.

Our Purpose

Biz@Net was organized to foster the business and personal development of its members through business networking; the sharing of referrals, contacts, leads, opportunities, ideas and information. Our members, leaders in business, are pledged to the highest standards of ethical conduct.

What We Do

Our organization acts as a network for information within the group.

Our members meet regularly to share ideas and business contacts through casual conversation and on-site visits. Our current meetings include topics such as technology, economic conditions, regulatory issues, accounting practices, marketing legal issues and promotional advertising.

Events

Biz@Net group keeps active outside of our busy business schedules. We sponsor our own golf outings, night at the races, business receptions and trips to sporting events. It's a good way to get to know everyone in the group, make new contacts and have fun.

Membership

Biz @ Net is one of the most low cost, effective networking groups in New Jersey.

Annual membership is only: \$100
Monthly breakfast buffet fee: \$35

Meetings are held twice a month
(every other Tuesday)

at:

Riga Restaurant
Crown Plaza Hotel
690 Rt. 46 East
Fairfield, NJ 07004
7:30am-8:45am
